## What sets us apart from other dental meetings

2011 marks the 34th year of the Buffalo Niagara Dental Meeting.

For the past 34 years, a group of dedicated alumni volunteers from the University at Buffalo School of Dental Medicine has organized the BNDM. These volunteers, along with a committed alumni office staff, have continued to grow this meeting year after year. In 1977, the Buffalo Niagara Dental Meeting featured 4-6 speakers and had 40 exhibitors -- we now have over 25 speakers and over 150 exhibitors.

## Booth Assignment

All repeat exhibitors have the first opportunity to claim their booth space by returning their application and deposit by Dec. 1, 2010. Applications received after Dec. 1st will be assigned on a first-come, first-served basis and repeat exhibitors will not have preferential treatment.

Note: A company that has not settled all previous accounts with the BNDM and the UB Dental Alumni Association will not be assigned booth space.

## EXHIBIT SPACE SUBCONTRACTOR AGREEMENT

This agreement by and between the University at Buffalo Dental Alumni Association, with offices at 337 Squire Hall, Buffalo, NY 14214-8006, hereinafter called 'Sponsor' and the exhibitor who executed the Exhibit Space Application and Contract (page 5 below), hereinafter called 'Exhibitor'. Acceptance of the Exhibit Space Application and Contract by the Sponsor constitutes a contract effective the date of signature at the bottom of page 5 below.

### WITNESSETH:

IN CONSIDERATION of the fees and covenants hereinafter expressed, the Sponsor hereby grants to the Exhibitor, and the Exhibitor hereby accepts, pursuant to the conditions hereinafter expressed, the right, privilege and permission to utilize the portion or portions of the Buffalo Convention Center exhibit space licensed to the Sponsor by the Buffalo Convention Center Management Corporation for the 34th Annual Buffalo Niagara Dental Meeting (Meeting) and described in the Configuration of Available Booths, by indicating such locations in the appropriate place set forth for such purpose in the Exhibit Space Application/Configuration.

**1. Purpose.** Exhibitor shall use contracted exhibit space for the sole and exclusive purpose of exhibiting and demonstrating products to participants of the Meeting, under the terms of this Agreement. Each Exhibitor is requested to make three booth selections in order of preference on the Exhibit Space Application. All assignments of space will be made by Sponsor's Commercial Exhibits Committee, and are subject to change at Sponsor's sole discretion.

**2. Dates of Use.** Use of the contracted exhibit space shall be as follows: Exhibit installation may take place Wednesday, Nov. 2, 2011, from 9:00 AM-5:00 PM. Exhibit times are from 5:30-8:00 PM, Wednesday, Nov. 2, 2011; 8:00 AM-5:00 PM, Thursday, Nov. 3, 2011; and 8:00 AM-**3:30 PM**, Friday, Nov. 4, 2011, and move-out must be completed by 5:00 PM, Friday, Nov. 4, 2011.

**3. Cancellation.** Space not fully paid by Oct. 1, 2011 may be forfeited and the Chairman of the Commercial Exhibits Committee will have the right to dispose of exhibit privileges and space without liability of any kind on his/her part. No refunds will be made on spaces cancelled after Oct. 1, 2011. Failure to appear at the event does not release the exhibitor from responsibility for payment of the full cost of the space rented. The Commercial Exhibits Committee, in its sole discretion, may offer the exhibitor who either cancels after Oct. 1, 2011, or fails to appear, an exhibit booth credit of one-half their 2011 payment towards the following year's meeting, if the exhibitor shall decide to attend. No exhibits will be allowed in the exhibition room until all payments have been made and all terms of the contract fulfilled. Booths may not be occupied or set up before final payment is received.

**4. Relocation.** If it becomes necessary to relocate an exhibitor for any reason prior to the Meeting, they will be contacted by telephone to discuss alternatives. If an exhibitor is disappointed with their booth location upon arrival, a minimal number of alternate spaces may be available. Relocation is sole discretion of the Exhibits Chair.

**5. Character, Dimensions and Limitations of Exhibits.** Each booth contains approximately 10' deep by 10' wide of exhibit space at the Buffalo Niagara Convention Center, as indicated on the Configuration of Available Booths. An 8' high background drape, a 32" high side drape, one undraped table, 2 folding chairs, and a 2-line ID sign are included. Additional furniture, carpeting, electrical service, etc., are available through the exposition service contractor. All curtains, flags, decorative material, etc., must conform to the requirements of the Fire Department and Board of Insurance Underwriters of Buffalo, NY and be approved by the Commercial Exhibits Committee as otherwise stated in this contract.

Exhibits must be constructed so as not to obstruct the general view of adjoining booths. Permission to display equipment taller than 8' must be obtained in writing from the Commercial Exhibits Committee, and exhibitor will be advised of which booth locations will meet their requirements. In the front half of the booth, no display material shall exceed a height of 4', without special permission. Exhibitors must confine their displays and materials within the dimensions of the booth assigned.

(a) Management has the right to relocate exhibitors to comparable spaces other than those specified by the exhibitor, if deemed advisable and in the best interests of the Meeting. Exhibitors will be notified promptly and given the option to cancel with full refund of all payments made in the event the relocation is unacceptable.

(b) The Commercial Exhibits Committee reserves the right to terminate Exhibitor's rights under this Contract for good cause, which includes, but is not limited to, Sponsor's right to decline, prohibit or close down any exhibit, or part of an exhibit, exhibitor, or proposed exhibit which, in its opinion, is not suitable to, or in keeping with, the character of the exhibition, is misleading or deceptive, and/or does not meet current, accepted ADA exhibiting standards or eligibility requirements. In the event Sponsor terminates this Agreement, as set forth in this section, or where Sponsor's license to use said exhibit space is terminated, then this Agreement shall be terminated. In this event, Sponsor shall refund payments made for the term of this Contract prevented or interrupted, and Exhibitor hereby expressly waives any claim for damages or compensation should this Contract be so terminated.

**6. Circumstances Beyond Control.** In the event of fire, strikes, the elements, or other unavoidable circumstances making the building and exhibit space unfit for use, Sponsor shall refund payments made for the term of this Contract prevented or interrupted, and Exhibitor hereby expressly waives any claim for damages or compensation should this Contract be so terminated.

**7. No Liability.** Sponsor shall not be held responsible for any damage, theft or disappearance of exhibitor materials. Sponsor shall not be responsible for loss due to fire, acts of God, strikes, lockouts, or work stoppages of any kind. Sponsor shall not be liable whatsoever for any actual, potential, or assumed loss of profits or revenues or for any collateral costs which may result from any loss or damage to any exhibitor materials which may make it impossible or impractical to exhibit same. Sponsor's maximum liability will not, in any case, exceed the payment made to Sponsor by Exhibitor under this Agreement.

**8. Indemnification.** Exhibitor agrees to indemnify, defend and hold harmless Sponsor, the City of Buffalo and the County of Erie for any damage to the Buffalo Niagara Convention Center or its furnishings and fixtures, in any part thereof, due to any act of the Exhibitor, its agents or employees, or by any person attending the Meeting, by reason of the use thereof by Exhibitor.

Exhibitor further agrees to indemnify, defend and hold harmless Sponsor against any and all workers compensation and employer liability claims, and any and all other claims, causes of action, liabilities (including, without limitation, commercial general liability, contractual, products liability, and automobile liability where applicable), damages, losses, fines, penalties, costs and expenses (including attorney fees and costs) on account of personal injury or death or damage to, or loss of, property arising out of or resulting from any act, omission, negligence, fault or violation of law or ordinance or breach of this Agreement by the Exhibitor or its officers, directors, employees, agents, representatives, invitees, contractors, or any person who is responsible for delivering, setting up or dismantling the Exhibitor's booth installations and decorations while and during the time the Exhibitor is occupying and using space in the Buffalo Niagara Convention Center, parking area, adjoining streets or premises and for any monies paid in satisfaction of claims or judgments against Sponsor, as a result of such losses, causes of action or claims aforesaid and Exhibitor agrees to defend Sponsor against prosecution of such claims or causes of action on written request of Sponsor, and in any event, it will pay for legal fees and court costs incurred in such defense of Sponsor, with reference to such claims or judgments.

**9. Subcontracting.** It is hereby agreed the Exhibitor will not sublet, assign or subcontract any of the space applied for without the consent of the Commercial Exhibits Committee. Non-exhibitors, not directly contracting for exhibit space with Sponsor under this Agreement, may not solicit, demonstrate or exhibit at the meeting in any form, including subletting, leasing, subcontracting, or by mutual agreement basis.

The Commercial Exhibits Committee reserves the right to remove, by security force, if necessary, anyone violating the above stipulation, so as to protect the rights of those exhibitors who have properly registered and paid for such rights.

**10. Electrical Service.** The exhibit area is equipped to provide 60 cycle AC 115 volt single phase, or single phase 220 volt. Necessary connections will be provided by the exposition service contractor at a cost according to load. This will be billed to the exhibitor. Electrical request forms will be included in the Exhibitors Manual you will receive from the exposition service contractor in July 2011.

**11. Care of Building.** The Commercial Exhibits Committee will provide security beginning Wednesday morning through the close of the meeting. Exhibitors will be held responsible for any damage done to the building by them or their employees. No nails, tacks or screws shall be driven into the walls, woodwork or floor of the building. No gasoline, kerosene, acetylene, nor other flammable or explosive substances will be permitted in the building. Exhibits in operation must be so protected that dripping of oil on the floor does not occur.

**12. Signs and Display Advertisements.** The placement of all signs, banners and advertising matter shall be subject to the approval of the Commercial Exhibits Committee, who will cooperate with the exhibitors to secure the best results, and, at the same time, maintain a uniform appearance in the exhibit hall. ALL AISLE SPACE is under control of the Commercial Exhibits Committee and shall not be used for exhibit purposes, demonstrations or solicitation of business.

**13. Appropriate Badging.** All exhibiting companies should register their personnel in advance. Four exhibit badges are provided free of charge per each 10' x 10' booth space. After four badges, there will be a \$25 charge for each additional representative. This same \$25 charge will apply to **ALL** representatives who are not pre-registered. All badges can be picked up on site and each company representative must wear his/her own badge for admission to and while in the Exhibit Hall. Badges are not transferable among company employees, representatives, dealers, guests and/or others. Supplementing the official badge with business cards, ribbons, or company logos is not permitted.

**14. Shipping Instructions.** The Expositions Service Contractor is Hale Northeastern, Inc., 828 E. Ferry Street, Buffalo, NY 14211, 716-896-6170, Fax: 716-896-8908.

All exhibit material is to be shipped prepaid according to the instructions in the Exhibitors Manual. Shipments can be made to Hale Northeastern, Inc., so they arrive up to 4 weeks prior to the meeting, but no later than Tuesday, Nov. 1, 2011. All shipments will go to the storage company as per the Exhibitors Manual, since there is no storage facility at the Buffalo Niagara Convention Center. Exhibitor assumes all responsibility for any goods or materials which may be placed in storage before, during, or after event.

Appropriate charges will be made for storage, transportation of exhibit from storage to Convention Center, uncrating and recrating (if required), temporary removal of shipping crates during show, and return of shipping crates following show for re-packing of exhibits. In addition, the service contractor will handle the arrangements for the outbound shipping of exhibits from its warehouse.

**Exhibitor understands that no shipments will be received by the Buffalo Convention Center prior to Tuesday, Nov. 1, 2011.**

**15. Dismantling of Exhibits.** No exhibitor will be allowed to remove any portion of their exhibit until the close of the exhibition without the consent of the Commercial Exhibits Committee. **21. Binding.** All terms and conditions of this written contract shall be binding upon the parties, their heirs or representatives and assigns, and cannot be waived by any oral representation or the promise of any agent or other representative of the parties unless the same be in writing and signed by the duly authorized agent or agents who executed this Agreement.
