

Welcome to the UB Dental Alumni Association!

On behalf of the UB Dental Alumni Association, thank you for investing in a 2023 membership. Your support helps to maintain the Dental Alumni Association as one of the strongest at UB. It also supports the current students and alumni directly which could not be more important.

Save the date! The Buffalo Niagara Dental Meeting will take place November 1-3, 2023 and we are optimistic it will be another great success. We are looking forward to celebrating the 5- year reunion classes at the Buffalo Convention Center. There are a myriad of other alumni events and networking opportunities in Western New York and around the world. For more information about upcoming UB Dental events, refer to the UB Dentist magazine and visit us online at dental.buffalo.edu/alumni.

Our organization exists to serve you. As always, we welcome your suggestions, and if you would like to take a more active role within the alumni association, please contact Sherry Szarowski at (716) 829-6419 in the Dental Alumni Office.

Sincerely,

Genene Crofut, DDS '03, President UB Dental Alumni Association
